per subject access line and per working subject telephone number per month for the equipment distribution program established by Act 501 of 1995.

On June 28, 2011, the General Staff of the Arkansas Public Service Commission ("Staff") filed a Response to the Petition in which it supports TAP's request to adjust the monthly surcharge amount to one-hundredths of a dollar (\$0.01), per subject line and per working subject telephone number, effective July 1, 2011. Staff also states that no further proceedings are necessary in this matter and that the adjustment should be made permanent.

It is therefore ordered that all Arkansas local exchange carriers and commercial mobile radio service providers shall collect and remit to the Department of Finance and Administration a surcharge equivalent of one-hundredths of a dollar (\$0.01) per subject access line per month and per working telephone number in accordance with Ark. Code Ann. § 23-17-119, as amended by Act 173 of 2011, effective July 1, 2011.

The Secretary of the Commission is directed to serve by electronic means a copy of this Order on all local exchange carriers certified to operate in Arkansas. The Petitioner is hereby directed to serve a copy of this Order on all commercial mobile radio service providers in the state and shall file in this docket a list of those companies served.
